YOU AND YOUR EMPLOYEES CAN CHANGE LIVES

Shatterproof Rise Up Against Addiction 5K
The Shatterproof Rise Up Against Addiction 5K Run/Walk is the first national event series for addiction. Local communities unite in solidarity and support of those who have lost a loved one to addiction while celebrating those who are living in recovery today.

Who is Shatterproof?
Shatterproof is a national nonprofit organization dedicated to ending the devastation the disease of addiction causes families.

• We are a community of families focused on evidence-based solutions for prevention, treatment, and recovery
• We are advocating for lifesaving policy change and committed to preventing addiction from shattering families

Encourage Your Employees to Volunteer for Shatterproof
We welcome corporate volunteer groups to get involved with the Shatterproof 5K. Volunteering for Shatterproof is a great way to make a huge impact. Here’s how:

• Gives employees the opportunity to come together to give back to their community
• Strengthens employees’ relationships and helps them develop new skills
• Boosts workplace morale and increases employee engagement and retention

“It’s a personal matter for us. We’ve had family members affected by addiction within the ranks. So for Tortoise, getting involved really helps grow us as a family.”
Benjamin Price
Tortoise Capitol Advisors
Why Volunteer for Shatterproof?
The statistics are alarming:

- 1 in 3 families are impacted by addiction
- Only 1 in 10 people seek treatment for substance use disorder
- Estimated annual cost to businesses due to employee substance use: $193 billion

Employees can help change these stats by participating in the Shatterproof 5K. Volunteering is an excellent way to contribute to Shatterproof’s mission and help families affected by addiction.
